## Day 1 – PROGRAMME

	Thursday 11 July 2023		
10:30	Registration – East Recpetion	on	
11:15	Introduction & Housekeeping Bill Fenton, Manager, The IET Power Academy Nia Lowe, Head of Regulation and Government Policy, SP Energy Networks		
11:20	Ice breaker Scholar Reps		
12:00	<b>Keynote Craig Dyke</b> , Director of System Operations, ESO & <i>Chair of the IET Power</i> <i>Academy Executive supported by</i> <b>Zara Barton-Lake</b> scholar with UKAEA at Cardiff University and Scholar Rep		
12:30	Lunch		
	Interactive Workshops 1 & 2 Net Zero, Climate Change Impacts or Adaptation / Mitigation, and business issues critical to companies Interactive Panel Sessions: Scholars will attend 2 sessions each last 1 hour.		
	SESSION 1	SESSION 2	SESSION 3 – Box 27
13:30 to 14.30 <i>and</i> 14.45 to	<u>BAE Systems</u> Fast Attack Submarine	<u>Northern Powergrid</u> Climate Change – A Game of Chance?	<u>SP Energy Networks</u> NetZero – Mitigation Actions: Personal & Business perspectives
15.45	Hosts: Benjamin Wilson, <i>Senior</i> <i>Engineer – Strategic</i> <i>People Capability</i> Joe Skinner, <i>Electrical</i> <i>Engineer</i>	Hosts: Claire Thomas, Lead Asset Management Engineer Joe Helm, Lead Policy & Standards Engineer David van Kesteren, Engineering Training & Development Manager	Hosts: Mark Goudie, Head of Whole System Strategy & Optimisation – previous Power Academy Scholar Gavin Kitching, Graduate Engineer – previous Power Academy Scholar

	SESSION 4 – Box 19	SESSION 5 – Box 21	SESSION 6 – Box 22
13:30 to 14.30 <i>and</i> 14.45 to 15.45	SP Renewables Driven by Net Zero, Powered by Wind Hosts: Rachel Stewart, Onshore Workforce Planner Jennifer Howie, Offshore Electrical Engineer & Previous Power Academy Scholar Emma McNally, Onshore Workforce Planning Manager	SESSION 3 – BOX 21 SSE Transmission Net Zero Action Hosts: Isabelle Shaw Nelson, Transmission Graduate Rory Chalmers, Transmission Graduate Charlotte Bailey, Transmission Graduate	SESSION 6 – Box 22 SSE Generation Net Zero Action Hosts: Karl Bergmann, Transmission Graduate Nathaniel Uyoh, Renewables Graduate Haydn Carter, Renewables Graduate
	SESSION 7 – Box 18	SESSION 8 – Box 18	SESSION 9
13:30 to 14.30 <i>and</i> 14.45 to 15.45	National Grid Electricity   Transmission   Designing the Great Grid   Upgrade   Hosts:   Ankit Jotwani, Power System   Engineer (Network   Development)   Adam Davies, Graduate   Development Engineer   Giuseppe Di Vona Graduate   Development Engineer	National Grid Electricity Distribution Forecasting: The Challenges of a Changing World Hosts: James Mitchell, DSO Energy Management Centre Engineer leuan Klappholz, Primary Network Design Engineer	National Energy System Operator (NESO) Be the National Energy System Operator for a day. Hosts: Rachel Eynon, Connections Design Lead Calum Parker, Network Development Engineer Faith Natukunda, Regional Energy Strategic Planning Manager
	SESSION 10 – Box 28	SESSION 11 – Box 26	SESSION 12 – Box 20
13:30 to 14.30 <i>and</i> 14.45 to 15.45	UKAEA Design your own Tokamak Magnetic Structure Hosts: Martin Jorgensen, Graduate Sytems Engineer Nilou Saffari, Graduate Electrical Engineer	Rolls-Royce Pros and Cons of More Electric Aircraft Hosts: George Savage, Electrical Machine Design Engineer Ross Jamieson, Electrical & Electronics Engineer	AtkinsRéalis Energy Architects – Planning a Net Zero Energy System Hosts: Fraser Steedman, Electrical Engineer, Net Zero Energy Richard Williams, Senior Electrical Engineer, Transportation

	SESSION 13	SESSION 14	
13:30 to 14.30	<u>Omexom</u> Playing with electrons and looking after the workforce	Integrum Power Delivery of Battery Energy Storage Solutions	
and 14.45 to 15.45	<b>Hosts:</b> Vandad Hamidi, <i>Business Unit</i> <i>General Manager</i> George Daniel, <i>Graduate</i> <i>Commissioning Engineer</i>	<b>Hosts:</b> Paul Walker, <i>Engineering</i> <i>Manager</i> Husayn Mahmud, <i>Principal</i> <i>Egineer</i>	
15:45	15-minute comfort break		
	How to motivate people and	teams for high-performance	
16:00	<b>Susannah Townsend</b> , PART OF THE LEGENDARY WOMEN'S HOCKEY TEAM THAT WON GOLD AT THE 2016 RIO OLYMPIC GAMES TURNED FANTASTIC MOTIVATIONAL SPEAKER <u>https://champions-speakers.co.uk/speaker-agent/susannah-townsend.</u>		
17.00	Close of the first day sessio	n Trams to the Manchester	Piccadilly Hotol
17:00	Close of the first day sessio	n. Trams to the Manchester	Piccadilly Hotel

Evening Programme	
18:00	Check-in at the Manchester Piccadilly Hotel
19:00	Reception & Dinner in the 'Piccadilly Suite' After dinner speaker Carl Ketley-Lowe Previous Chair the IET Power Academy Council, Chair of the Climate Change Resilience Working Group ENA
22:00	Close of evening

Seminar venue Manchester City FC East Reception Etihad Stadium Ashton New Road Manchester, M11 3FF Accommodation Manchester Marriott Hotel Piccadilly 91 London Road Manchester M1 2PG

Day 2

## PROGRAMME

Friday 12 July 2023	
08:30	Check out then trams to the Manchester City FC Etihad Stadium
09:45	Keynote session Chair Nia Lowe SPEN
	Electricity Transmission Networks for a Net-Zero Future
	Professor Peter Crossley, professor of Power System Protection, University of Manchester
10:30	Some years on – what are ex scholars doing now?
	Chair:
	Carl Ketley-Lowe,
	Speakers:
	Jack Ferrans, <i>SSE</i>
	Nicola Todd, Head of Network Control, National Grid
	Fraser Steedman, Assistant Electrical Engineer, AtkinsRéalis
11:30	Tour of Manchester City Etihad Stadium
	Group photo taken at the end of the tour
13:00	Lunch
14:00	Scholar representatives to give workshop feedback, and seminar review
44.00	Olean of the Comings and Terms to Mangheoton Discodilly
14 30	Close of the Seminar and Trams to Manchester Piccadilly
